

**Time to get ready for the holidays....
....and support the GCA baseball program!**

You can do both by ordering your holiday poinsettias now!

For every poinsettia sold, the Greenbrier Christian Academy baseball program will receive a donation. We need your help to raise funds for new equipment and travel expenses! The poinsettias come in red foiled pots and plants are all floral quality. The poinsettias are grown locally at Battlefield Farms in Rapidan, Virginia.

Two sizes available:

6" pots are approximately 5-6 blooms. \$10 each

8" pots have approximately 13-15 blooms. \$15 each

Poinsettias will be available for pick-up or delivery on a date TBD right after Thanksgiving.

Orders must be received by **Tuesday, November 21, 2017**. Place your order by GCA baseball player, coach, or parent.
