

New Family Referral Program

The New Family Referral Program awards a referring Greenbrier Christian Academy family with a \$500 tuition credit for every new family that is referred to and enrolls in Greenbrier Christian Academy. Referred families must be new to GCA and remain for the entire school year. All tuition credit(s) will be granted and applied in May of the forthcoming academic year. This program does not include families already attending GCA.

- The referral program is for parents or guardians of enrolled students attending GCA at the time of credit distribution.
- Referral award consideration is limited to families who have never had a student enrolled at GCA.
- The new student(s) must stay at GCA for the entire school year for the referring family to receive tuition credit.
- The tuition credit will be applied toward the last payment due in May. For yearly or semester payers, the tuition credit will be credited to your account in May and you may use it to pay for your first month's tuition for the following school year. If you are a parent with a graduating senior and no other child in the school, you will receive a check for your referral bonus. A bonus check will also be provided to any family that is transferred from the area due to work responsibilities. Bonus checks will be disbursed on June 1.
- There is no maximum on the number of tuition credits a referring GCA family may receive!
- **IMPORTANT:** To be eligible for this program, new families must list the referring GCA family on their application as a Parent Referral (there is a field to prompt for this info).
