Life-Threatening Allergy Management Plan (LAMP)

Student:	School:	Effective Date:
Date of Birth:	Grade:	Homeroom Teacher:

Dear Parent/Guardian: please provide the information requested below to help us care for your child at school.

Part 1- Medical history and contact information. To be completed by parent/guardian.
Part 2- Have your child's physician complete this section unless the physician's office prefers to use his/her own Life Threatening Allergy Management Plan which must include all components.

Please note: A physician's order must be submitted to the school nurse at the beginning of each school year and whenever modifications are made to this plan.

Return completed forms to the school nurse as quickly as possible. Thank you for your cooperation.

8. Will you be providing meals and snacks for your child at school?		☐ Yes ☐ No
9. Will your child always eat the school provided breakfast and/or lunch?		☐ Yes ☐ No
10. How does your child travel to school? ☐ Bus # _____ ☐ Car ☐ Walk		

Life-Threatening Allergy Management Plan (LAMP)

I give permission to the school nurse and designated school personnel, who have been trained and are under the supervision of the school nurse of _____ School, to perform and carry out the severe allergy tasks as outlined in _____ (Child's name) Life Threatening Allergy Management Plan (LAMP) as ordered by the physician. I understand that I am to provide all supplies necessary for the treatment of my child's severe allergy at school. If stock epinephrine is used for a student that has a known allergy and the parents/guardian has not provided the epi pen ordered by their medical provider, the parent/guardian will have to pay the restock price to NNPS. The student can be medically excluded until the parent/guardian provides the ordered epi pen and/or medical instructions. I also consent to the release of information contained in the LAMP to staff members and other adults who have custodial care of my child and who may need to know this information to maintain my child's health and safety. I also give permission to contact the above named physician regarding my child's severe allergy.

Every effort possible will be made to keep your child away from the stated allergen. However, this does not guarantee that your child will never come into contact with the stated allergen in the school setting.

Whenever epinephrine is given at school, 911 is called and the student transported to the hospital (see #4 on following page).

Life-Threatening Allergy Management Plan (LAMP)

To be completed by provider: Valid for School Year _____

Name: _____ DOB: _____Weight_____

In accordance with the Code of Virginia Section 22.1-274, I agree to the following:

I will not hold the school board or any of its employees liable for any negative outcome resulting from the self-administration of said emergency medication by the student.

I understand that the school, after consultation with the parent(s) may impose reasonable limitations or restrictions upon a student's possession and/or self-administration of said emergency medication relative to the age and maturity of the student or other relevant consideration.

I understand that the school may withdraw permission to possess and self-administer the said emergency medication at any point during the school year if it is determined the student has abused the privilege of possession and self-administration or that the student is not safely and effectively self-administering the medication.
